## OVERVIEW OF QUALIFICATIONS

I am currently focused on improving my skills in Front End development, seeking to adhere to good programming practices, using concise and clean code. I'm always looking to learn and improve my soft skills. I have good communication skills and a great ability to solve problems.

## ACADEMIC BACKGROUND

Bachelor's Degree in Computer Science at Unipê University Center - Graduating

## PROFESSIONAL EXPERIENCE

2023 - Front End Intern at Unipê Software Factory

- I'm currently immersed in an exciting extension project, where I play the role of Front End and Mobile Developer, using Reactjs and React Natives as my main technology.

2023 - Freelancer

- As a freelancer, I create websites using SEO and performance techniques. Main technologies I use as a freelancer: ReactJS, TypeScript, Styled-Components, Git, Google Search Console and Google Analytics.

## TECHNOLOGIES AND TOOLS

- ReactJS, NextJS, TypeScript,
- Javascript, Styled-Components,
- SEO, Bootstrap, Figma,
- CSS, HTML, Git, GitHub,
- Google Analytics,
- Google Search Console

## CERTIFICATIONS

- Ignite Rocketseat - ReactJS, NextJS, JavaScript, Styled-Components, Git, Html, Css

## IDIOMAS

Portuguese - Native

Inglês - Intermediate

Espanhol - Basic
